
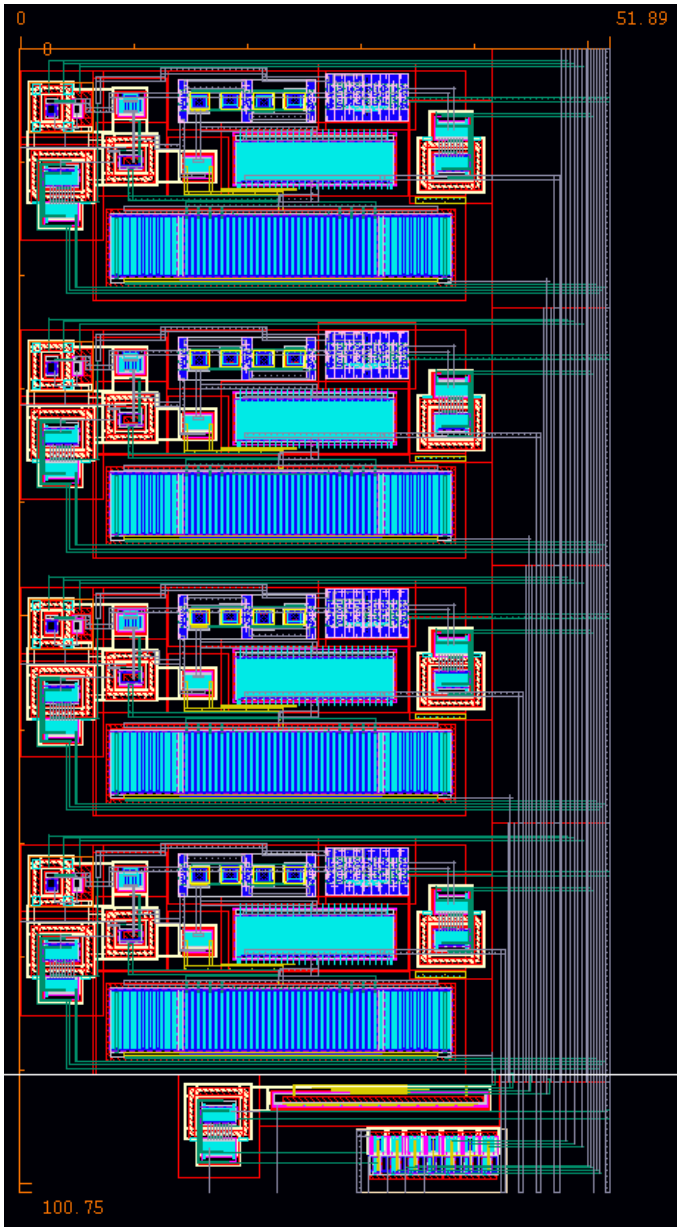
Layout Update

Ray Xu

Apr 27, 2017

Electrometer Bank



- 100um x 50um size
- Four electrometers per bank
- Four banks in tapeout
- All signals routed to M4
- AVDD and GND routed to M5

To-do

- Next 1-2 week:
  - Add SEU detector to CDAC
  - Integrate the test struct detectors
  - Finish layout of control/miscellaneous circuitry
