

Workshop: RHIC Science Programs Informative Toward EIC in the Coming Years

Monday, 24 May 2021

Collectivity in small-system collisions (12:15 - 14:35)

-Conveners: Wei Li

time	[id] title	presenter
12:15	[4] Flow signals and physics in small-system collisions	BELMONT, Ron
12:55	[5] Inclusive photon-nucleus collisions	TRIBEDY, Prithwish
13:25	[6] Dihadron correlations and implication of gluon saturation	CHU, Xiaoxuan
13:55	[7] Collision system scan and future perspectives with STAR detector	JIANGYONG, Jia
