- Next meeting will be on Christmas' Eve (half-day BNL holiday in the PM). I came up with the following alternatives:
 - Re-schedule for New Year's Eve
 - Re-schedule for AM on Christmas' Eve
 - Many people take entire day off—availability uncertain
 - Re-schedule for Wednesday, Dec. 23 @ 2 pm
- Detailed meeting minutes taken and posted on Indico page as standard practice
 - SDCC groups now post slides w/ activity summary on the Indico agenda
 - Propose to adjust minutes to reflect only activities not recorded on slides and all Liaison feedback
