General Services Update - 12/23/20

- atlasgw & rssh unavailable in about 1 week (starting: 1/1/21)
  - New logins blocked, must use: ssh.sdcc.bnl.gov
- Early next year we will retire: rcf3.rhic.bnl.gov, replaced by:
  - tex.sdcc.bnl.gov(w/ cups relay), cterm.sdcc.bnl.gov & c/sftp.sdcc.bnl.gov
- GPFS server upgrade completed last week (STAR & PHENIX)
  - IC GPFS will be upgraded early next year (1-2 days downtime)
- New MFA/OTP enrollment (PrivacyIDEA) - final internal tests now
  - Transparent replacement for Keycloak and linked to IPA (for NX, etc.)
  - We will be asking liaisons to start testing at the next liaison meeting
- Public website redesign in progress now
  - Preview will be ready next month
