

Workshop on Tau Neutrinos from GeV to EeV 2021 (NuTau2021)

Thursday, 30 September 2021

Tau neutrino reconstruction techniques: Tau neutrino reconstruction techniques - This workshop will be held as a virtual event (13:40 - 15:30)

-Conveners: Hanyu Wei; Barbara Yaeggy

time	[id] title	presenter
13:40	[26] Reconstruction of multi-GeV tau neutrinos in tracking detectors	AUTIERO, Dario
14:10	[27] Reconstruction, Flavor Identification and Future Prospects at High Energies	STACHURSKA, Juliana
14:30	[28] Discussion
