

# **Tools and Services Activity Summary**

## **Digital Repositories**

- InvenioRDM project partners meeting
  - [Feedback](#) requested to partners for Open Access and record access levels

## **Overleaf**

- Still waiting for Legal's approval for trial license
- In the meantime, engaged PPM to qualify DSRSI (Overleaf subsidiary) as a BNL business partner

## **Indico**

- Continuing discussion on Indico update. Aim to make a presentation to Liaisons at the next meeting.

## **General Web Services**

- Working on updates and additions to new SDCC site based on initial user feedback – more feedback is welcome
- Liaisons – reach out to Louis Pelosi/Christian Lepore to get Liaison access to site – can begin adding/editing desired content on site
