General Services Update - 3/4/21

- Star RT: https://star-rt.sdcc.bnl.gov/
  - WebUI setup & available, still testing email but it is working
    - email sent to old addresses will be forwarded to new server
    - New addresses going forward: star-rt-QUEUE-NAME@bnl.gov
    - Jerome is verifying the internal ACLs and configs were upgraded properly
- NX: nx.sdcc.bnl.gov (nx client or web browser)
  - Will retire the old NX in 2 months: May 4th?
  - nxcampus01.sdcc.bnl.gov will be available for ssh or NX sessions
- Data transfers, new server pair: sftp.sdcc.bnl.gov
  - No interactive login, only sftp allowed - will retire the rftpexp servers.
  - Will be creating cftp server pair for campus transfers with group accounts
    - Replaces: astroftp.rhic.bnl.gov
- Cvmfs servers were updated to the latest version: 2.8.0
