Kick-Off Meeting (Bernd)

Organizational Elements

- Working groups / Committees: Formulate a concise charge for working groups / conveners

Software

Charge: Completion / Maintenance framework

Detector

Magnet

Calorimetry

Tracking

Particle-ID

Rear taggers

Forward taggers

Polarimetry

DAQ/Readout

Charge: Subsystem design / Specification / Simulation / Responsibility / R&D / Costing

Executive Committee

Charge: Contact to EIC project / Proposal writing / Costing / Collaboration structure

Physics

Inclusive

SIDIS

Jets/HQ

Diffraction/Tagging

Exclusive

Charge: Physics validation of key processes

Kick-Off Meeting (Olga)

Possible Structure:

Institutional Board
IB Chair

Spokespeople's Office

Spokespeople + Executive Committee

Kick-Off Meeting (Olga)

Moving Forward:

- This is a proposal – let's talk!

- Joining? Send your Institutional contact to

  https://sites.temple.edu/eicatip6/contact/

- Working groups: please submit your nominations for Detector, Software,

  and Physics Validation coordinators (2 people each)

- Please volunteer/send nominations for the Charter Committee (5+people)

- Start regular (pre)collaboration meetings – everyone is invited!

Last but not least

Temporary offices:

- Collaboration temporary name is "EIC@IP6," but let's make it fun! We would like to ask for naming proposals: https://forms.gle/tMvjj4UNqe7htMjg6

  Please submit your nomination by April 15th

- We hope to have initial IB formed by then, and will run the first vote on the naming proposals

- Charter committee: to be formed

  Olga Evdokimov (UIC) will be coordinating. Please voluntere/nominate for this job!
