Certificate of Award

RHIC & AGS Merit Award

is presented to

Jamie Karthein

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
her crucial research into the physics of fundamental theory of strong interactions via numerical
simulations for the BES program.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Daniel Richford

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
his tireless leadership ensuring the safe and timely assembly and testing of the sPHENIX
hadronic calorimeter during a global pandemic.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Zhen Wang

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
his indispensable contributions to the STAR forward upgrade, dilepton research, and STAR
operations especially during the pandemic.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Yasser Corrales Morales

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
his outstanding contributions to the sPHENIX Monolithic-Active-Pixel-Sensor based Vertex
Detector project.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Cameron Dean

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
his essential contributions to the heavy flavor program in sPHENIX through simulations as well
as software and detector development.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Kolja Kauder

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
his innovative contributions in understanding the jet energy loss and the microscopic nature of
the QGP via jet substructure measurements at STAR.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Shenghui Zhang

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
her breakthrough measurements of open heavy flavour production and invaluable
contributions to detector upgrades for STAR.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Rosi Reed

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
her herculean efforts as shift coordinator for STAR during a global pandemic and her central
role in building and commissioning of the Event Plane Detector.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Xuan Li

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for

For her exceptional contributions to the understanding of hadronic structure and nuclear matter with PHENIX, and her leadership in developing a heavy quark program at the future Electron-Ion Collider.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Sanghoon Lim

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
his exceptional contributions to the intellectual leadership of key measurements with the
PHENIX experiment and detector development in sPHENIX.

Ron Belmont

Users' Executive Committee Chair
Ron Belmont

Certificate of Award

RHIC & AGS Merit Award

is presented to

Rongrong Ma

by the

RHIC/AGS Users' Executive Committee

on the eleventh day of June, two thousand and Twenty-one

In recognition for
his leadership to the heavy flavour program, detector development, and invaluable service to
STAR as the analysis coordinator.
