

# EIC Software Meeting 4/21: Updates from EICUG SC

- Regular activity of the Steering Committee:
  - Ensure an efficient EIC community even while internal collaboration competition is ongoing
    - Organization of user group meetings
    - Cross-cutting topical working groups: theory, hardware R&D, computing infrastructure
    - Interfacing with international partners and funding agencies (advocacy, lobbying)
  - Weekly meetings on Thursdays
  - Monthly joint meetings with EIC Project Team
- Efforts of interest to SWG:
  - Development of EIC Working Groups, in particular computing infrastructure
  - Save the date! EIC User Group Meeting, August 2-6, virtual, org: VUU & UC Riverside
  - EICUG Newsletter: Content welcome! Current editors: [Silvia Dalla Torre](#), [Wouter Deconinck](#)
- Welcome to new users:
  - Ensure that your institution is an EIC institution (contact your group leader first)
  - Register as EIC user for your institution, update contact info: [register@eicug.org](mailto:register@eicug.org)

I am always happy to hear from you: [email](#) or [eicug.slack.com](https://eicug.slack.com)
