

Proposal Committee: Costing Subgroup

- **Members:** Bernd Surrow, Olga Evdokimov, Zhangbu Xu and Yulia Furletova
- Started meeting three weeks ago; meetings every week (currently **Thursdays**)
- Have a Wiki page set (thanks to Thomas Ullrich) to working broadly together/consolidate the input
- Current ongoing activity:
 - Establishing direct contact with all working groups via designated representatives
 - Plan to have the first joint meeting this (?) week, then iterate with each working group on details
 - Begun soliciting costing examples from ongoing upgrade/detector construction projects
