QA Datasheet

To be posted on wiki shortly

The screenshot displays a Microsoft Excel spreadsheet titled "20210729_StageProduction_QA3回目量産". The spreadsheet is organized into a grid with columns labeled A through AS and rows numbered 1 through 374. The data is presented in a structured format, likely representing production or quality control data. Key features include:

- Columns:** Labeled A through AS, with some columns containing numerical data and others containing text or formulas.
- Rows:** Numbered 1 through 374, with some rows containing numerical data and others containing text or formulas.
- Color Coding:** Several rows and columns are highlighted in red and yellow, indicating specific data points or errors.
- Navigation:** A blue arrow points to a specific cell in the middle of the table, likely indicating a point of interest or a specific data entry.
- Interface:** The spreadsheet is displayed within the Microsoft Excel application window, showing standard toolbars and a status bar at the bottom.
