

23rd International Congress on X-ray Optics and Microanalysis (ICXOM23)

Tuesday, 15 September 2015

Microdiffraction - Berkner Hall, Conference Room B (15:40 - 17:00)

time	[id] title	presenter
15:40	[34] High Energy Micro-Diffraction	HONKIMAEKI, Veijo
16:20	[36] Visualizing pigment distributions and their degradation products in oil paintings using a non-destructive macroscopic XRF/XRPD scanning system	VANMEERT, Frederik
16:40	[35] Orientation changes upon attachment of spider hairs investigated in situ using scanning X-ray nanobeam diffraction and small-angle scattering	MUELLER, Martin
