

**Session Program**

**15-17 Dec 2021**

**RBRC Workshop: Small-x Physics in the EIC  
Era**

***Afternoon session***

Virtual Event

# Wednesday 15 December

13:30

## Afternoon session

**Session** | **Location:** Virtual Event | **Convener:** Duff Neill

13:30–14:00 **SCET and small-x**

**Speaker**  
Zhongbo Kang

14:00–14:30 **Light front methods to compute the initial conditions for small x**

**Speaker**  
Adrian Dumitru

14:30–15:00 **Novel lattice methods for computing parton distributions at small x**

**Speaker**  
Xiangdong Ji

15:00–15:30 **Lessons and open questions from heavy-ion experiments & small x**

**Speaker**  
Jacquelyn Noronha-Hostler

15:30
