

RBRC Workshop: Physics Opportunities from the RHIC Isobar Run

Tuesday, 25 January 2022

Morning session (09:00 - 11:20)

-Conveners: Jean-Yves Ollitrault

time	[id] title	presenter
09:00	[2] Imaging nuclear structure with hydrodynamics	GIACALONE, Giuliano
09:40	[1] RHIC isobar results and implication on nuclear structure	XU, Haojie
10:10	[3] introduction and overview of nuclear shapes and radial structures	BENDER, Michael
10:50	[4] Quantum-number projection technique for nuclear structure	BALLY, Benjamin
