

RBRC Workshop: Physics Opportunities from the RHIC Isobar Run

Tuesday, 25 January 2022

Afternoon Session (11:40 - 14:00)

-Conveners: Michael Strickland

time	[id] title	presenter
11:40	[5] Application of hydrodynamics in isobar collision	SCHENKE, Bjoern
12:10	[6] Nuclear shape observables and methods	DRAAYER, Jerry
12:40	[28] Realistic nucleon configuration for heavy-ion initial-state	ALVIOLI, Massimiliano
13:10	[8] Scaling approach to nuclear structure in isobar collisions	ZHANG, Chunjian
13:30	[15] Probe nuclear structure in Ultra-Peripheral collisions	BRANDENBURG, Daniel
