

RBRC Workshop: Physics Opportunities from the RHIC Isobar Run

Wednesday, 26 January 2022

Afternoon Session (12:00 - 14:00)

-Conveners: Berndt Mueller

time	[id] title	presenter
12:00	[13] Ab initio nuclear structure theory and connections to heavy-ion collisions	LEE, Dean
12:40	[7] Initial shape engineering via final state correlations in (isobar) system scan	NORONHA-HOSTLER, Jacquelyn
13:10	[17] Nuclear structure in high and low energy heavy-ion collisions	ELFNER, Hannah
13:35	[19] Nuclear structure studies in heavy ion collisions at NICA	NIGMATKULOV, Grigory
