

RBRC Workshop: Physics Opportunities from the RHIC Isobar Run

Thursday, 27 January 2022

Afternoon session: Charge fluctuations, diffusion, and correlations (12:00 - 14:00)

-Conveners: Volker Koch

time	[id] title	presenter
12:00	[24] Local charge/baryon conservation in isobar collision	OLIINYCHENKO, Dmytro
12:30	[25] Charge fluctuations in isobar collisions and connections with lattice QCD	VOVCHENKO, Volodymyr
13:00	[26] Relativistic fluid dynamics of multiple conserved charges	FOTAKIS, Jan
13:30	[27] Balance function and charge fluctuations in the RHIC isobar collisions	PLUMBERG, Christopher
