Facility News

- Indico federated access enabled on Dec. 1st
  - If you haven't done so yet, please access Indico with your federated identity (SDCC, AD and InCommon/EduGAIN) and merge with your local account (if email addresses match) at your earliest convenience
    - Meeting with ITD in mid-Jan. to review status of the migration from local to federated access
  - Please inform your programs, collaborations and projects
    - If you believe there are users within your community who cannot obtain a federated identity, please ask them to follow directions provided under https://indico.bnl.gov/news/ to request support

- BNL-wide power outage on Friday, Dec. 3rd (approximately 1:57-1:59 pm)
  - Preliminary findings point to PSEG contractor accidentally removing a fuse that set in motion a series of electrical events and caused a brief power outage
    - Deemed DOE recordable (reportable) incident – investigation under way
  - SDCC is nearly 100% backed by UPS/FlyWheel system—few disruptions (Skylake cluster, some Farm nodes, two disk arrays, one faulty CDU, etc)
