

Liaison Meeting

01/20/2022

News and Announcements

- Federated authentication on Indico available since Dec. 1st, 2021.
 - On or about March 1st – creation of new local accounts disabled, though existing local accounts can still access Indico
 - On or about June 1st – access to Indico via local accounts disabled. Only federated access via AD, SDCC and InCommon/EduGain allowed
- Since Dec 1st, 2021:
 - 609 local logins (~80%)
 - 149 federated logins (~20%)
- Encourage your programs and collaborations to switch to federated accounts. If not possible, please contact SDCC or ITD (see instructions on Indico)

Creation of local accounts

Proposed changes for Liaison Meeting

- Change frequency to once per month
 - Better match pace of change and corresponding updates
 - Exact week of the month TBD
- SDCC plans to continue to provide facility updates in new format
 - Communications and announcement will still be sent via email
- We will still solicit collaboration/program presentations on a periodic basis
