ECCE Exclusive, Diffractive and Tagging Publication Discussion
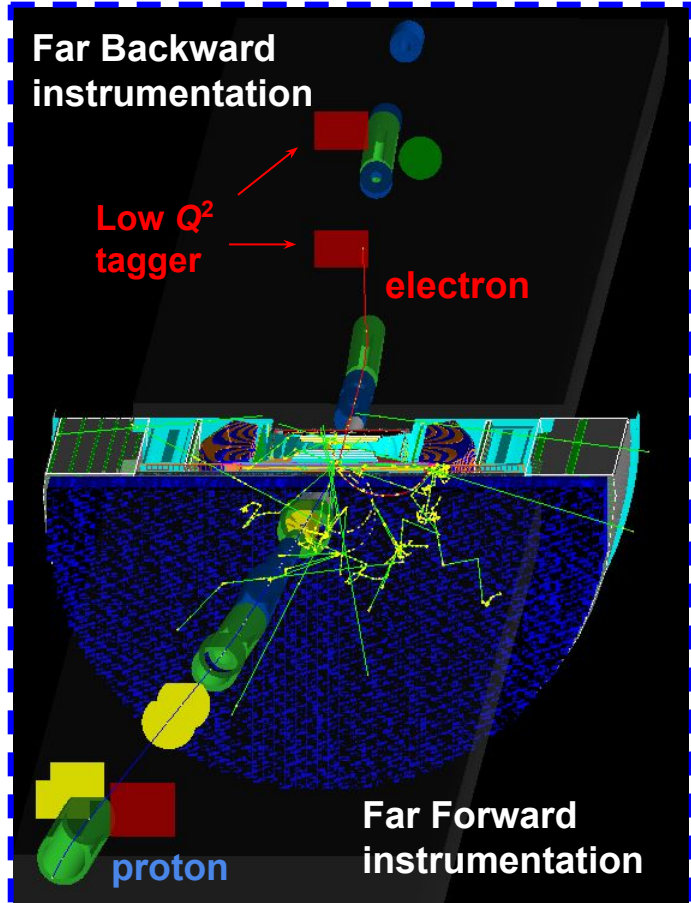

Axel, Julie, Rachel, Bill

ECCE Entered Publication Stage

- Diffractive and Tagging analysis notes

- Exclusive analysis notes

- Far forward and far backward region analysis notes
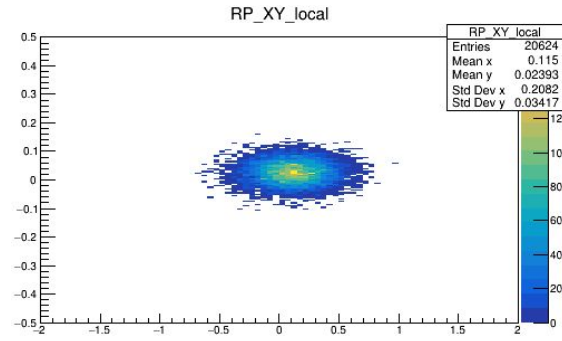

- XYZ meson analysis notes

ECCE Entered Publication Stage

- **Separated publication?**
  - DVCS
  - eA Diffractive
  - pion form factor

- Summary paper to cover the rest?
  - Combined approach?
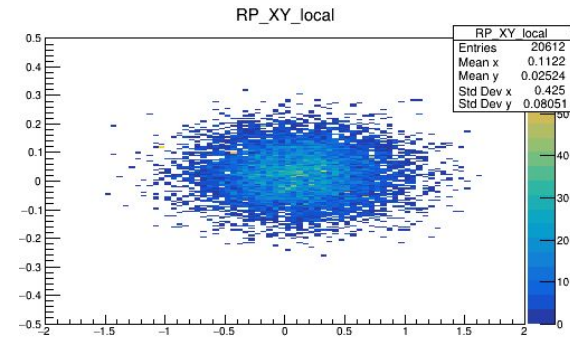

Simulation Update since Proposal Submission

Far Backward instrumentation

Low Q^2 tagger

electron

proton

Far Forward instrumentation

- Farbackward beamline and low Q2 tagger are now in Fun4all

- ep and eA beam scattering parameterization are now in Fun4all

High Acceptance Setting

High Divergence Setting (proposal)
