# Indico news

- Federated authentication on Indico available since Dec. 1<sup>st</sup>, 2021.
  - On March 8<sup>th</sup> – creation of new local accounts disabled, though existing local accounts can still access Indico
  - On or about June 1<sup>st</sup> – access to Indico via local accounts disabled. Only federated access allowed
- Since Dec 1<sup>st</sup>, 2021:
  - 904 local logins (~82%)
  - 193 federated logins (~18%)
- You are encouraged to switch to federated accounts at your earliest possible convenience. If not possible, please contact SDCC or ITD (see instructions on <https://indico.bnl.gov/>)
  - About 94% of all BNL Indico events originate from the NPP Directorate
  - As a reminder, acceptable accounts and federations include BNL Active Directory, BNL SDCC, InCommon and eduGAIN. It does **NOT** include Google and other common social media platforms
  - Announcements also sent to SDCC and other mailing lists. Please forward it to your collaboration mailing lists—we want to avoid a disruptive loss of access on June 1<sup>st</sup>
