Welcome to Stony Brook Long Island

EIC Users Group

July 26-29, 2022

Wang Center

EIC Group has met here multiple times… even before conception!

Last big meetings

- EIC Enthusiasts 2003 (Just after 2002 NSAC long-range plan)
- EIC Enthusiasts 2006/7 (Preparing for the NSAC long range plan)
- EIC Enthusiasts 2014/5 (Preparing for NSAC long range plan) – discussions to establish EIC Users Group.

And now , EIC Users Group comes back here after further milestones:

- CD1
- All important DPAP milestone, and
- Preparing for the NSAC Long Range Plan 2022

After a tumulus time of COVID and intense activity on the DPAP, it is good to see the whole Users Group come together and start to realize the EIC Detector 1 while starting to plan Detector 2.

We should not forget that this meeting is only a place holder for a future meeting in Warsaw, Poland.

We look forward to coming to Warsaw soon!

Logistics for this meeting
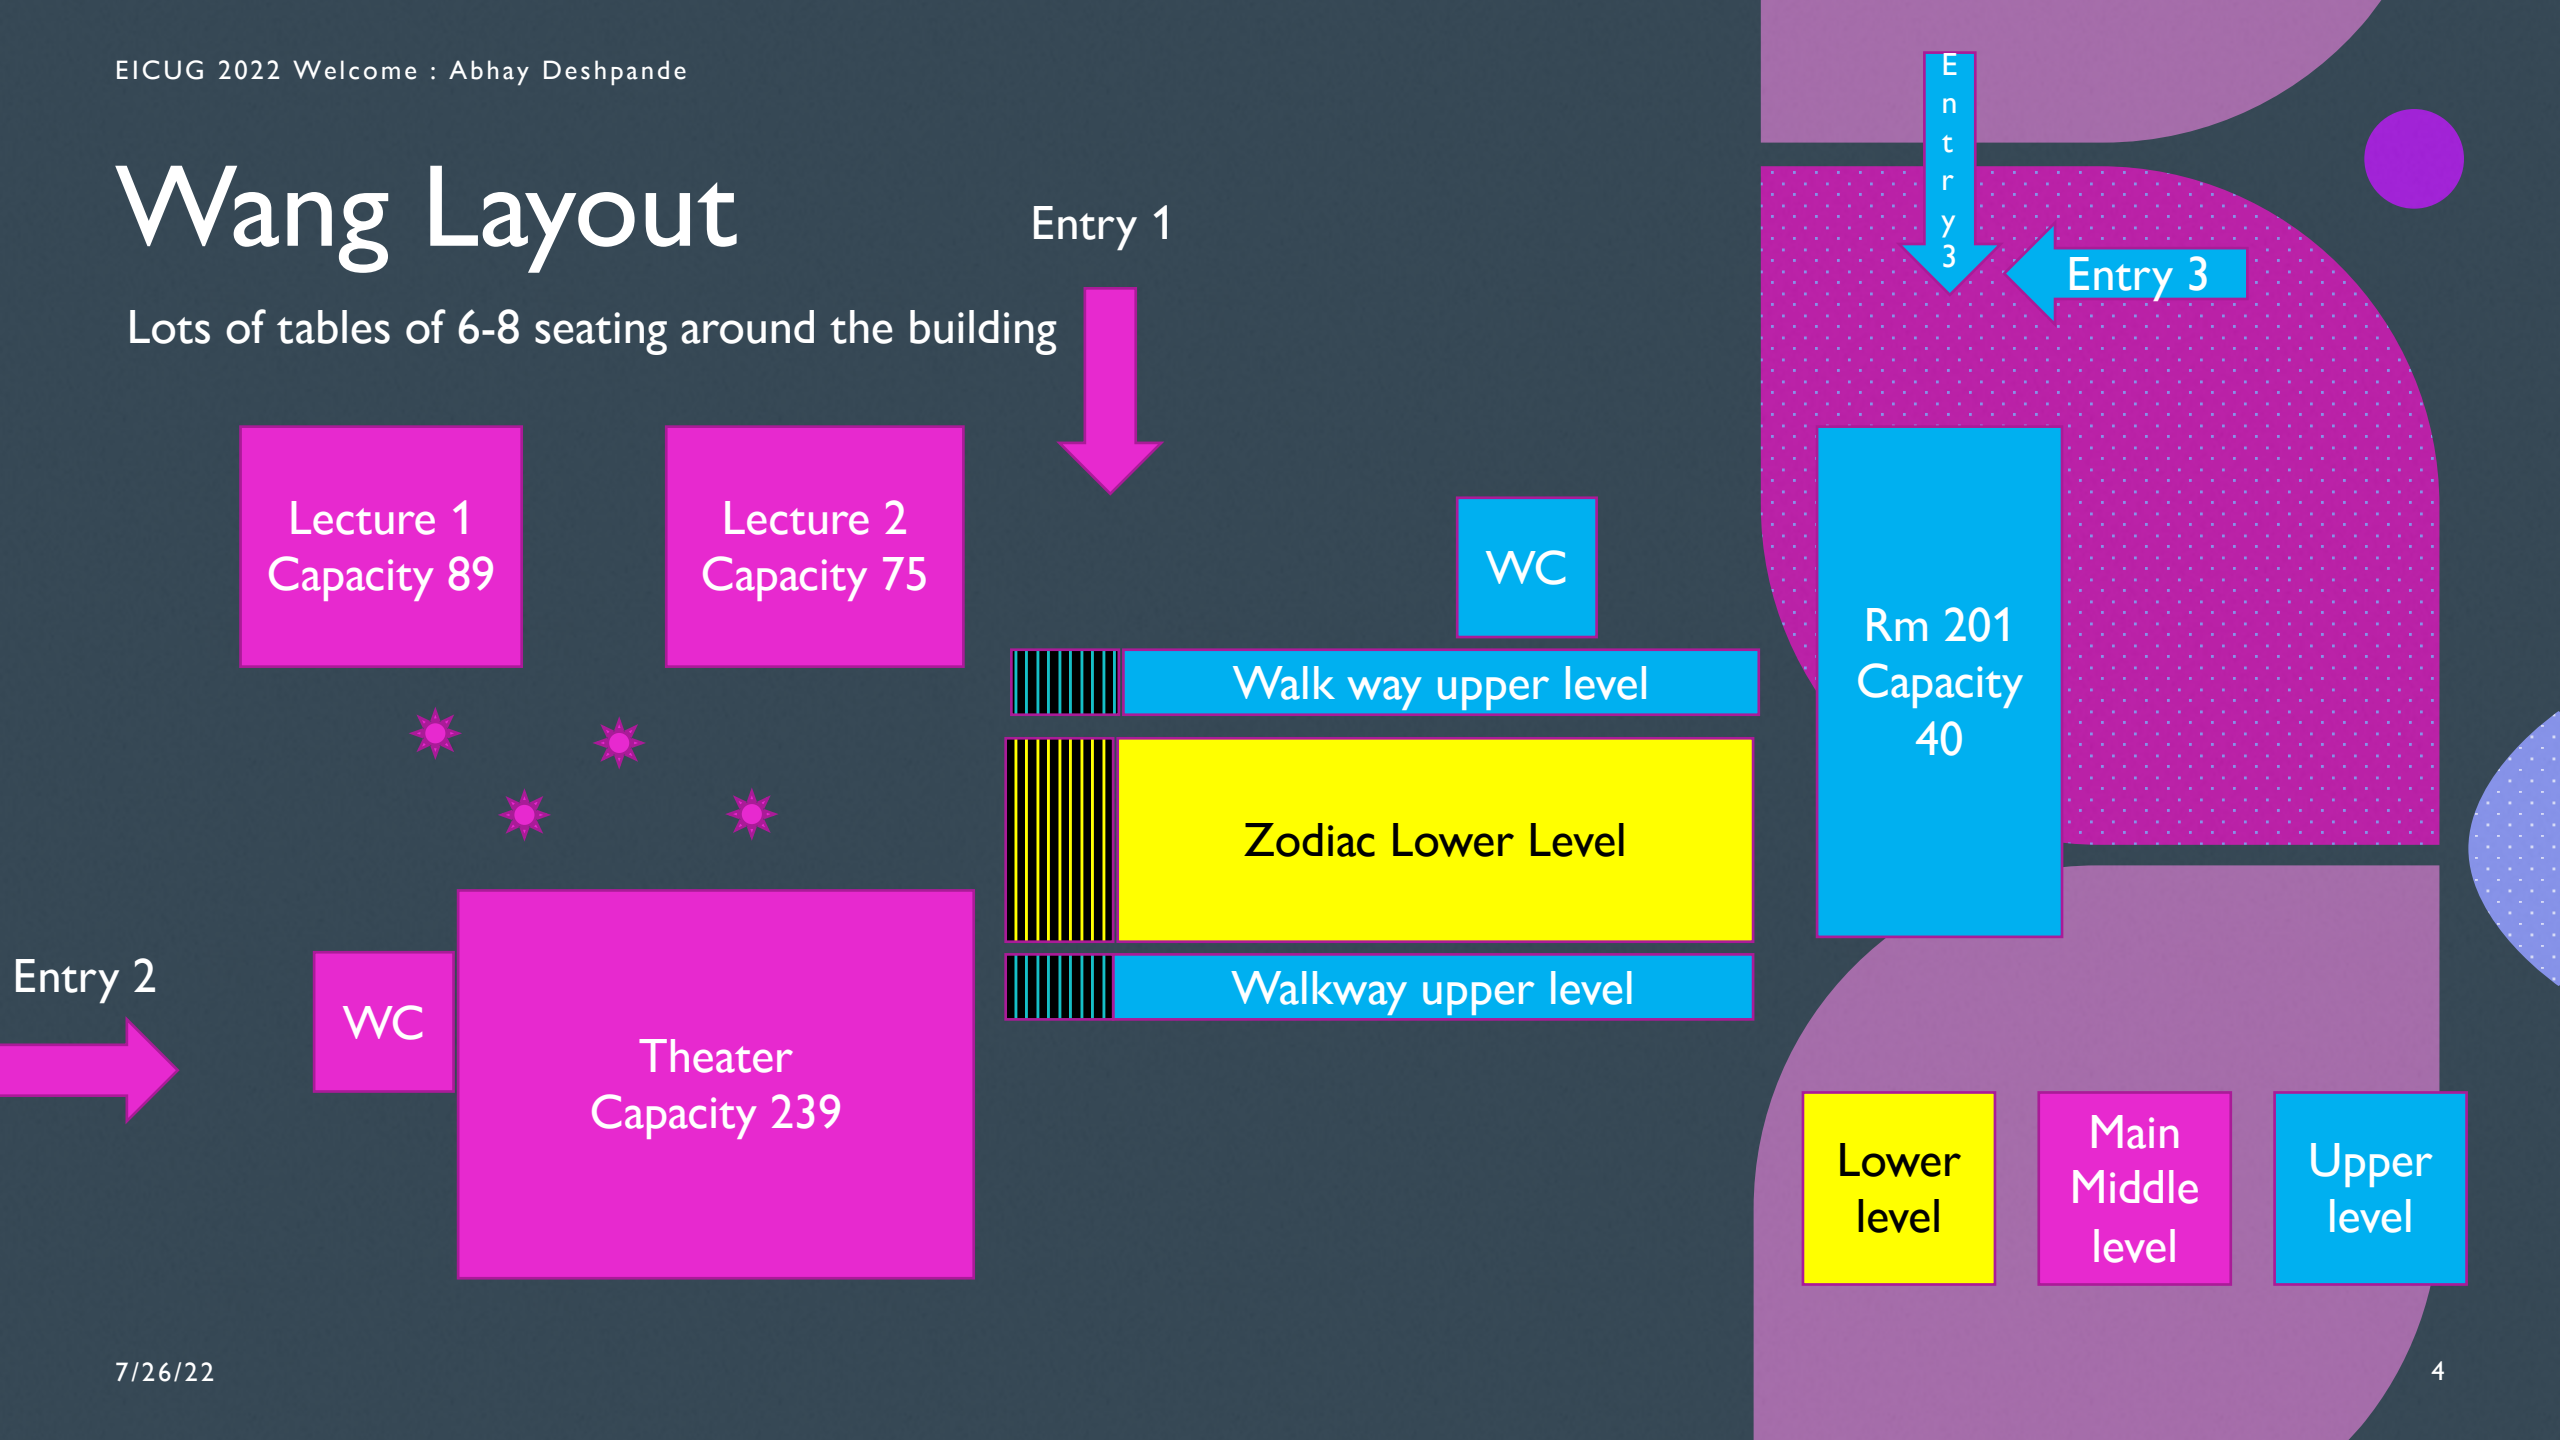

Whole meeting will be held here in the Wang Center.

Wang Layout

Lots of tables of 6-8 seating around the building

Entry 1

- Light breakfast served every day at 8:00AM
- Coffee/tea/cookies in the breaks
- Lunches will be served as well.

- Welcome Reception today at 6:00PM
- On Friday, grab and go lunches at 11:00AM (to get on to the bus to BNL and Dinner in the City)

- For dinner on Wednesday and Thursday: Google near-bye places (walking distance on North Side of Campus – near Stony Brook train station) or Uber to Port Jefferson or your hotel restaurants. Grubhub delivers.

7/26/22

Internet and talk upload:

Stony Brook folks are already connected

Eduroam is an excellent choice and should work with your institutional credentials.

Those who registered for in-person meeting by 7/20/2022 should have received an email from Guest_Wifi_Request@Stonybrook.edu

1st task after getting connected:

UPLOAD YOUR TALKs!

Please do this by midnight before the day of your talk.

Welcome Abhay Deshpande, your account has been created and is now ready to use.

WiFi Network: WolfieNet-Guest

Visitor Account and Wi-Fi Instructions:

1. Make sure your wireless adapter is set to dynamically obtain an IP address
2. Connect to the wireless network: *WolfieNet-Guest*
3. Enter credentials:
   – *Username:* **abhay@bnl.gov**
   – *Password:*
4. Account expires: Saturday, July 30, 2022 00:00

COVID concerns

- Long island is "high" on the count of COVID cases: 275 per 10k. Mask mandate is not here yet (AT BNL IT IS ALREADY MANDATED)

- At Stony Brook: Please wear masks whenever you can and particularly when you area in close contact with your colleagues.

- We have masks at the Check in Desk.

- We want to you to be in better shape when you return than you came in!

- If you feel symptoms: Isolate, take a test and connect on ZOOM. Isolation requirement (for fully vaccinated people is 5 days from the 1st symptoms).

7/26/22

Welcome and have a great meeting!
