

Calorimetry Working Group

April 29, 2022

**Friederike Bock (ORNL Relativistic Nuclear Physics Group)
for the Joint Calorimetry Working Group**

How to reach us?

Convenors

Carlos Muñoz Camacho
(IJCLAB/JLAB)
munoz@jlab.org

Paul Reimer (ANL)
reimer@anl.gov

Oleg Tsai (UCLA)
tsai@physics.ucla.edu

Friederike Bock (ORNL)
Friederike.Bock@cern.ch

Mailing List

- eic-projdet-calo-l@lists.bnl.gov

Indico

- <https://indico.bnl.gov/category/405/>

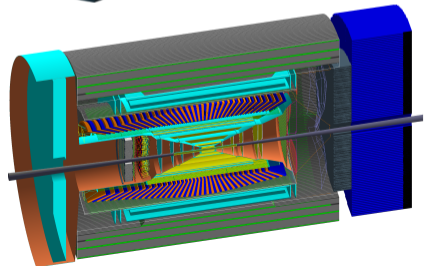

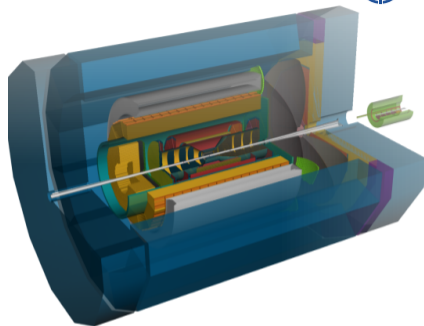

What has happened so far?

Kick-Off Meeting: [link]

- Introduced calorimeter concepts in backward, barrel & forward region from ECCE & ATHENA
- Very similar concepts in backward direction
- Barrel & forward direction less similar

Next steps:

- Deepen understanding of concepts and possible risks in further dedicated meetings on specific regions
- Create collaborative environment to converge on final design for all regions ready for CD2 in autumn 2023

Join us and take part!

**Ongoing Doodle for appropriate meeting times closes tonight [\[link\]](#)
Fill it out today and join us for the meetings in the upcoming weeks!**

We hope to see many of you!
