

## 3rd ICFA Beam Dynamics Mini-Workshop on Machine Learning Applications for Particle Accelerators (Chicago, IL - Palmer House Hilton)

Contribution ID: 91

Type: **not specified**

# Disentangling Beam Losses in the Fermilab Main Injector Enclosure Using Real-time Edge AI

*Wednesday 2 November 2022 14:40 (25 minutes)*

**Presenter:** HAZELWOOD, Kyle (FNAL)

**Session Classification:** Prognostics (Session Moderator: Verena Kain, CERN)
