

3rd ICFA Beam Dynamics Mini-Workshop on Machine Learning Applications for Particle Accelerators (Chicago, IL - Palmer House Hilton)

Contribution ID: 97

Type: **not specified**

Towards End-to-End Differentiable Accelerator Modeling

Thursday, 3 November 2022 08:55 (25 minutes)

Presenter: GONZALEZ-AGUILERA, Juan Pablo (University of Chicago)

Session Classification: Modeling (Session Moderator: Chris Tennant, JLAB)
