

## 3rd ICFA Beam Dynamics Mini-Workshop on Machine Learning Applications for Particle Accelerators (Chicago, IL - Palmer House Hilton)

Contribution ID: 109

Type: **not specified**

# Improving Neural Networks Predictions using Physics - PINN for the CERN Accelerators

*Thursday, 3 November 2022 16:25 (25 minutes)*

**Presenter:** VELOTTI, Francesco Maria (CERN)

**Session Classification:** Analysis (Session Moderator: Raimund Kammering, DESY)
