

UC Davis - Welcome

Daniel Cebra and Manuel Calderon
UC Davis

UC Davis Quick Facts

38,347 Students

107 Academic Majors

6 Professional Schools (Management, Education, Law, Medicine, Nursing, and Veterinary Medicine)

Established in 1908 as the University Farm

UC Davis is the Land Grant/Ag School for the State of California

With 5,300 acres UC Davis is the largest of all the university of California campuses

Built out to a full service campus in the 1960's

A few quick California Higher Education points

→ How many UC campuses are there?

→ How many and which of the UC campuses have football team?

→ How many campuses are in the Cal State system?
