

Session Program

8 September 2022

**Mini Town Meeting on NSAC Long Range Plan
- Hybrid**

Fundamental Symmetries and neutrinos

Physics Department, Large Seminar Room

Thursday 8 September

09:56

Fundamental Symmetries and neutrinos: Fundamental Symmetries and neutrinos

Session | **Location:** Physics Department, Large Seminar Room | **Convener:** James Dunlop

09:56–10:04 **Neutrinoless Double Beta Decay Search with nEXO**

Speaker
Mickey Chiu

10:04–10:12 **Neutrinoless Double Beta Decay Nuclear Matrix Elements**

Speaker
Peter Denton

10:12
