# BARREL LADDER TEST

NWU Yumika Namimoto

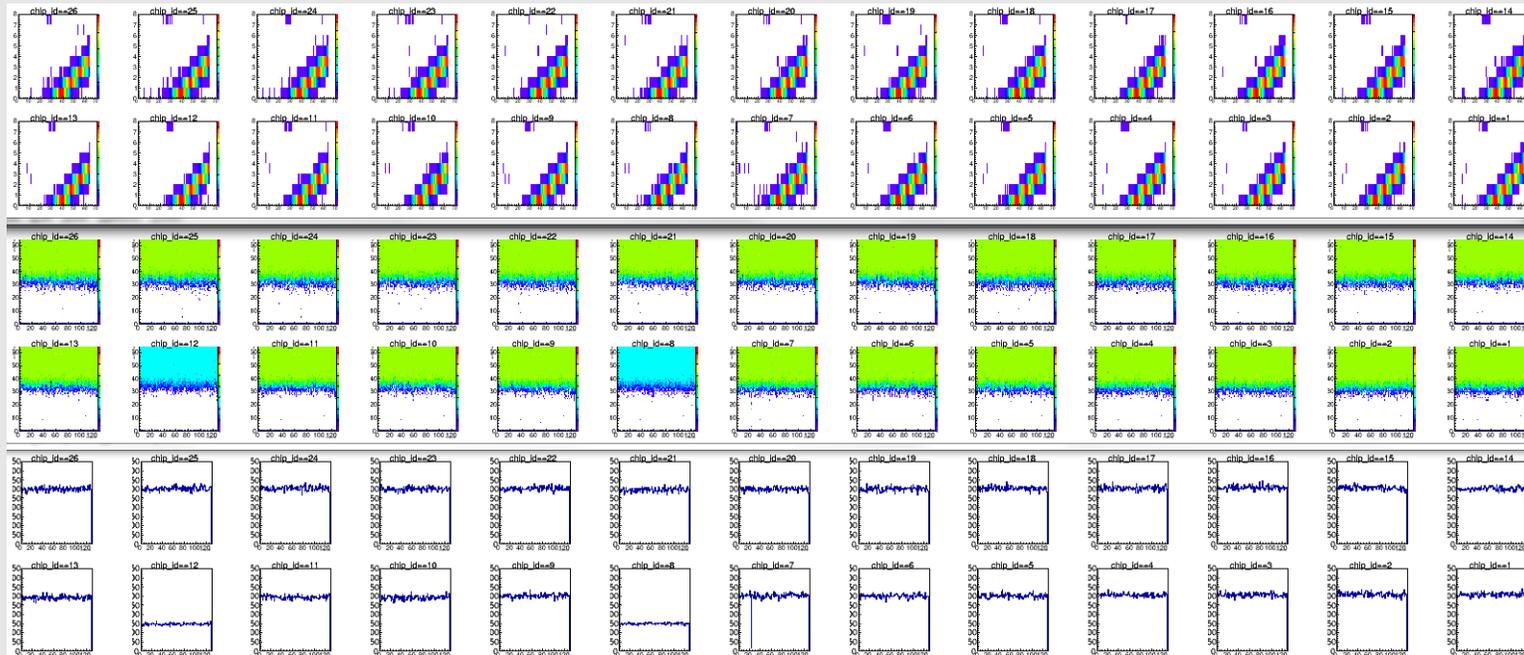

# Ladder test and Result

- Almost of all ladders test was complete until September 8<sup>th</sup>.
- We checked some remaining ladders, B1L1 00 – B1 L1 07

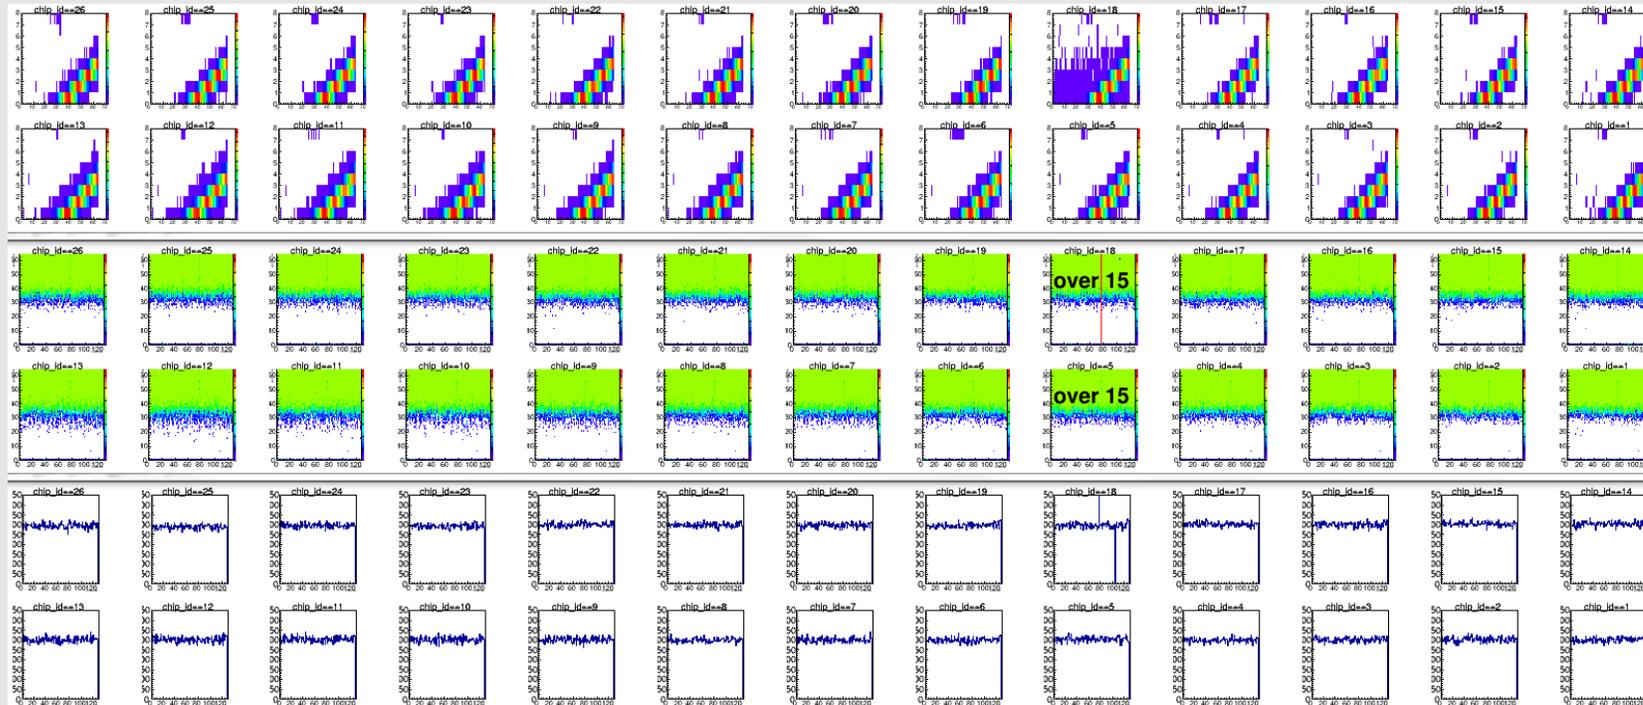

# Half entry

- B1L1 05 shows half entry results in some chips.
- We tried to reboot and took data again, but it didn't improve.

# Dead/Hot channels

- Some ladders have few dead or hot channels.
- It's B1L1 04 result.

# Summery

- All ladders had tested.
- Some ladders should be tested again. BNL members are doing it by using FELIX.
