They are owned under the GitHub organization "sPHENIX-Collaboration"

There are 4 owners: Jin, David, Martin, and Chris

For write access, you need to have a GitHub account that belongs to the INTT_Developer team. Currently,

- Chris Pinkenburg
- Jin Huang
- Genki
- Milan
- Takashi
- Cheng-Wei
- Wei
- Miu (already left INTT)
- Mika (already left INTT)

I'm going to ask Jin to add more [   ]ment,

- Hikaru
- Itaru
- Joseph
- Maya

let me know their account.

Why don't you make your account and join the team?

I'll send a request for that on Friday afternoon (ET). Let me know your account by then to be included to the request.
