

Proposal for hybrid Liaison meeting in 2023

- As the pandemic has evolved and ebbed in 2022, several activities have moved to in-person again or hybrid mode
 - Conferences and workshops (ie, ACAT, HEPIX, WLCG, etc)
 - Collaboration meetings
 - Select BNL meetings
- SDCC staff meetings moved to hybrid a few months ago
 - Meeting in 2-160 bi-weekly
 - A/V and Zoom working well
- Open to move Liaison meeting to hybrid in 2023, subject to BNL pandemic meeting rules
 - Previously, we met in 3-192 – check room reservation and A/V hardware
 - Start in early 2023, depending on venue availability and pandemic condition
