

# 2023 Workshop on Fixed Field Alternating Gradient Accelerators (FFA'23)

## Friday, 15 September 2023

**FFA Beam Dynamics II - Session Chair: Lucas Brouwer (11:00 - 13:00)**

| time  | [id] title   | presenter             |
|-------|--|-----------------------|
| 11:00 | [68] Conceptual design of FFA for super heavy element production using ERIT - Yoshihiro Ishi | ISHI, Yoshihiro       |
| 11:30 | [47] Coasting Instabilities in Scaling FFAs - David Kelliher                                 | KELLIHER, David       |
| 12:00 | [48] The FFA Code Fixfield - Max Topp-Mugglestone  | TOPP-MUGGLESTONE, Max |
| 12:30 | [45] Machine Learning Based Study of vFFA Beam Optics - Adrian Oeftiger                      | OEFTIGER, Adrian      |
