

Welcome to the ePIC Collaboration Council Meeting – April 21 at 11:00am EDT

Zoom: <https://lbnl.zoom.us/j/97112319013?pwd=TVJzOUZCSDEwWVZBZXk3a3RlVGVjUT09>

Attendance: Open to all ePIC collaborators, except for the closed session.

Participation: Collaboration Council Members, or their proxies, and invitees:

- Early Career Members

If you are not speaking, please consider muting your microphone - thank you!

If you are an early career member, consider subscribing to the Eic-projdet-earlycareer-l mailing list at <https://lists.bnl.gov/mailman/listinfo/eic-projdet-earlycareer-l> if you have not already done so. If you are not, feel free to spread the word among your early-career colleagues.

Apologies for having to start this meeting 30 minutes later than originally anticipated and for any inconvenience this may have caused.

Known proxy representation in today's meeting:

Klaus Dehmelt for Abhay Deshpande (Stony Brook University)

Aaron Angerami for Ron Soltz (Lawrence Livermore National Laboratory)

Rosi Reed for Adam Gibson-Even (Valparaiso University)

Dmitry Kalinkin for Renee Fatemi (University of Kentucky)

Today's Agenda:

1. Welcome, Agenda, and Minutes from previous meeting
2. Collaboration Updates – John Lajoie, Silvia Dalla Torre
3. Collaboration Council Updates and Upcoming Elections – Ernst Sichtermann, Bernd Surrow
4. Detector Recommendations following Recent Reviews – John Lajoie, Silvia Dalla Torre
5. Working Group Structure and Conveners – John Lajoie, Silvia Dalla Torre
6. Discussion (open)
7. Closed Session
8. Next Collaboration Council Meeting (tentatively, May 25 or 26) and AOB
