

Session Program

3 May 2023

ePIC Software & Computing Weekly Meeting
CHEP 2023 Presentations

Wednesday 3 May

11:00

CHEP 2023 Presentations

Session

11:00–11:15 **EIC Software Overview**

Speaker

David Lawrence

11:15–11:30 **Artificial Intelligence and Machine Learning for ePIC: an Overview**

Speaker

Cristiano Fanelli

11:30–11:45

Algorithms: Framework- and Experiment-Independent Algorithms at ePIC

Speaker

Sylvester Joosten

11:45–12:00 **epic-analysis: Common Physics Analysis Software for the EIC**

Speaker

Christopher Dilks

12:00–12:15 **User-Centered Design for the Electron-Ion Collider**

Speaker

Dr Markus Diefenthaler

12:15
