

Aerogel 4 ePIC

Benedikt Zihlmann

Current Aerogel production

- There is currently only ONE vendor identified: Ciba University Japan
- Asked for: 5 tiles 10x10x2cm $n=1.02$
- PR has been submitted and processed
- Current status in Ciba: preparation stage
- delivery within 5 month latest

Alternate Aerogel production

- Tsinghua University: Zhihong Ye
- They are at the start of development
- A production line is in development
- first few 10cm tiles with $n=1.025$ arrived at JLAB this week
- need to test/assess these samples
