

Session Program

12-16 Jun 2023

In-Person Barrel Imaging Calorimeter Meeting
Mechanical Engineering

Building 241

Tuesday 13 June

16:00

17:30

Mechanical Engineering: Pb/ScFi Sector Assembly

Session | **Location:** B241, Room D173

16:00–17:30

Discussion on Pb/ScFi Sector Assembly

Wednesday 14 June

09:00

Mechanical Engineering: Existing Interfaces and integration

Session | **Location:** B241, Room D173

10:30

09:00–10:30 **Discussion on existing interfaces and integration**

11:00

Mechanical Engineering: Barrel Assembly and Installation

Session | **Location:** B241, Room D173

11:00–11:20 **GlueX BCAL Installation**

Speaker

Zisis Papandreou

11:20–11:40 **Installation concept based on sPHENIX**

Speaker

Dan Cacace

12:30

11:40–12:30 **Discussion on Barrel Assembly and Installation**

13:30

Mechanical Engineering: Mechanical and Electrical Engineering tasks

Session | **Location:** B241, Room D173

13:30–15:00 **Discussion on Mechanical and Electrical Engineering tasks**

15:00

15:30

Mechanical Engineering: Action items and priorities

Session | **Location:** B241, Room D173

15:30–16:30 **Discussion: Action items and priorities**

16:30
