

# Exclusive, Diffractive, Tagging WG

---

## Regular Meetings

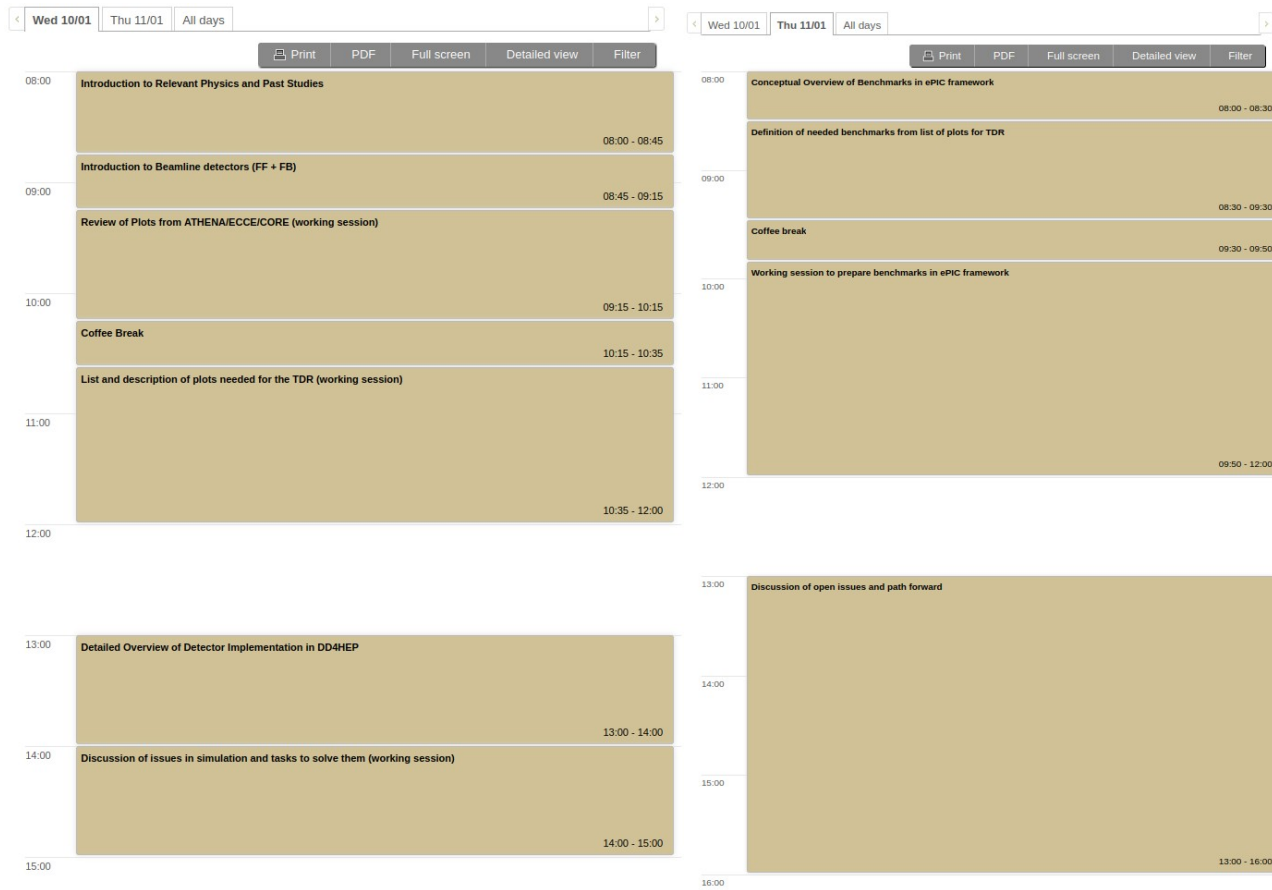

- Discuss the program of our workfest with far detectors
- Discuss the plans sets toward TDR
  - **Update all figures from ECCE/ATHENA to ePIC**
- Presentation from HCal backward
  - **Ask for input from the group**
- No significant analysis progress reported

## Other things in progress

- Work on-going on DVCS and DVMP
- Discussion started to look into diffractive PDFs
- Work started to identify a list of ATHENA/ECCE figures to update

# Workfest with Far Fwd & Bwd Detectors WGs

Dec 8, 2023

R. Dupré – R. Montgomery

2/2
