

SPHENIX INTT Stability Monitor

Wei-Che Tang, NCU

2024/03/13 INTT weekly meeting

Format for Stability Monitor

- Use the CSV file
- Format as following:
 - Stored the info row by row

```
RunNumber, NumofHot, NumofCold, NumofDead, ...  
20864, 1027, 967, 123, ..., ...  
20867, 1596, 845, 243, ..., ...  
...  
...  
...
```

A CSV file

- More parameters to be tracked by stability monitor
 - Fraction of clone events, fraction of clone hits, fraction of mixed up events...
