Meetings and more

- Last Analysis Meeting → Update on TDR plots
 - <https://indico.bnl.gov/event/22485/>
- Next Analysis Meeting 11 am ET May 10th (April 26th meeting canceled due to CC meeting)
 - <https://indico.bnl.gov/event/23052/>
- PWGs meet ~every two weeks
- Generated a table of generated cross sections from Pythia8 events used for campaigns → Is there a better way to check?
- Need to confirm needed kinematic variables exist as needed (see ongoing work from Exclusive group)

Some proposed TDR plots

Expected statistical uncertainty of Unpolarized TMD PDFs

Kinematic resolutions
