

ePIC Reco WG Meeting | Introduction

Reco WG Charge:

👉 Development of a holistic & modular reconstruction for the integrated ePIC detector

- **Above:** charge of this working group. Meaning these meetings will focus on *holistic* reconstruction (e.g. the electron finder)
- **What can you expect to see at these meetings?**
 - Technical discussions on ongoing efforts in the WG
 - Proposals for/discussions on new algorithms
 - Updates on work on the reconstruction framework
 - Q&A on reconstruction at ePIC (broadly speaking)
