

STAR Status (July 30 - Aug 6, 2024)

Yu Hu, yuhu@lbl.gov

6x6 low lumi

- running physics efficiently as much as we can

- PS problem
- Snake problem

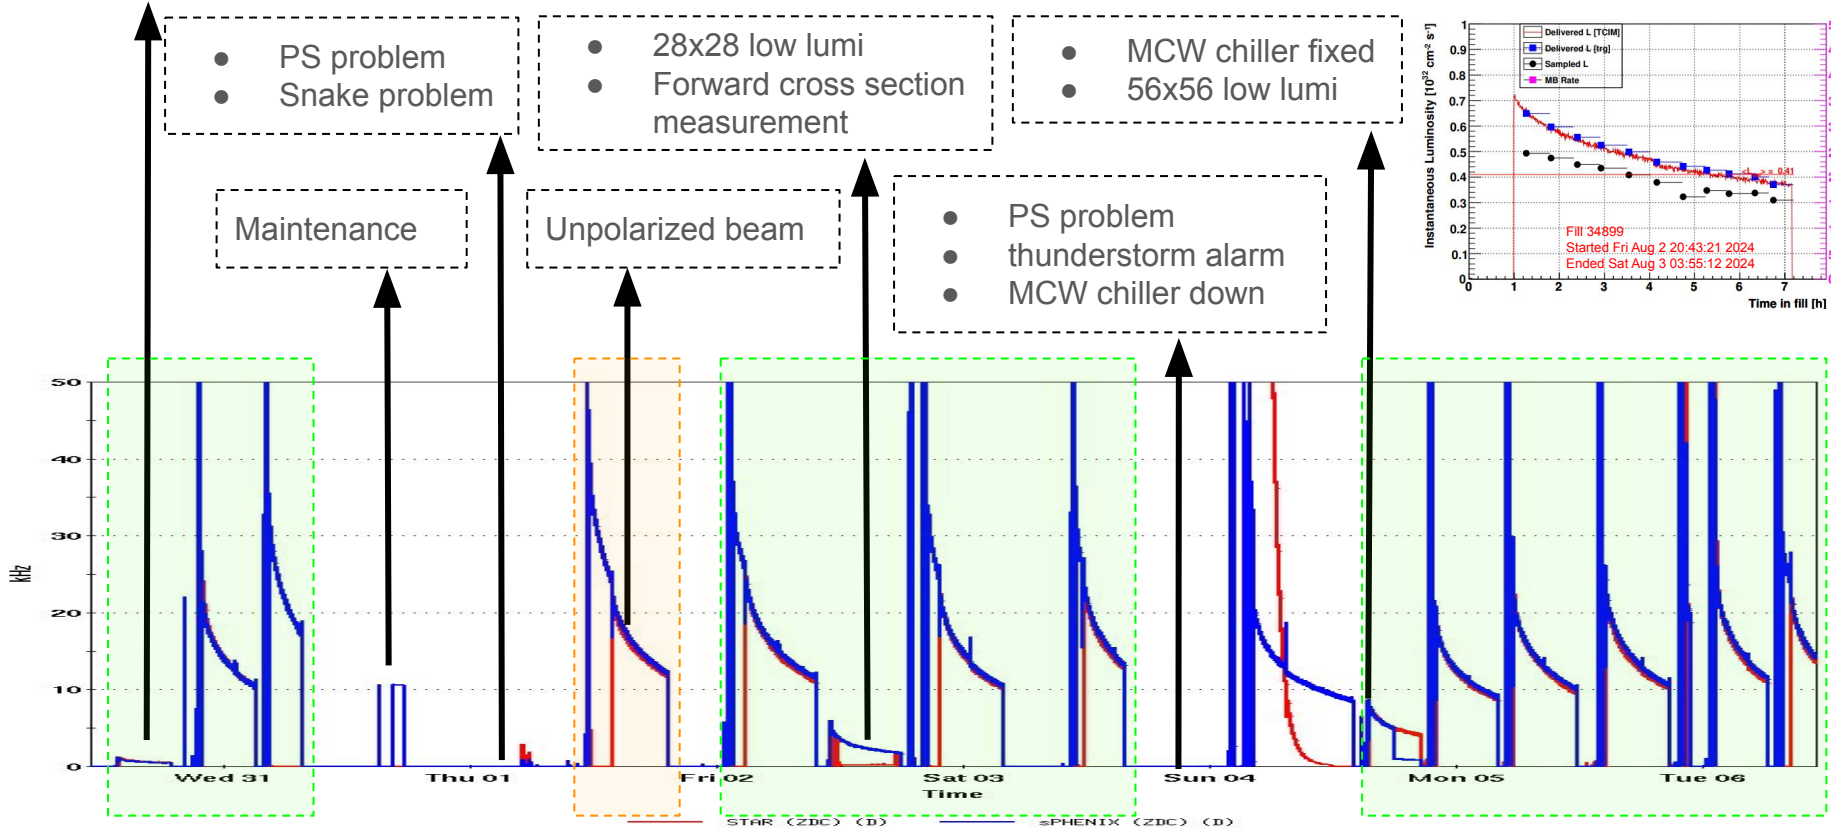

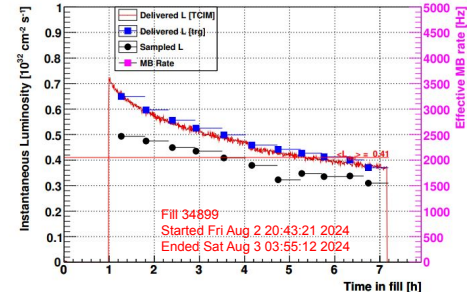

- 28x28 low lumi
- Forward cross section measurement

- MCW chiller fixed
- 56x56 low lumi

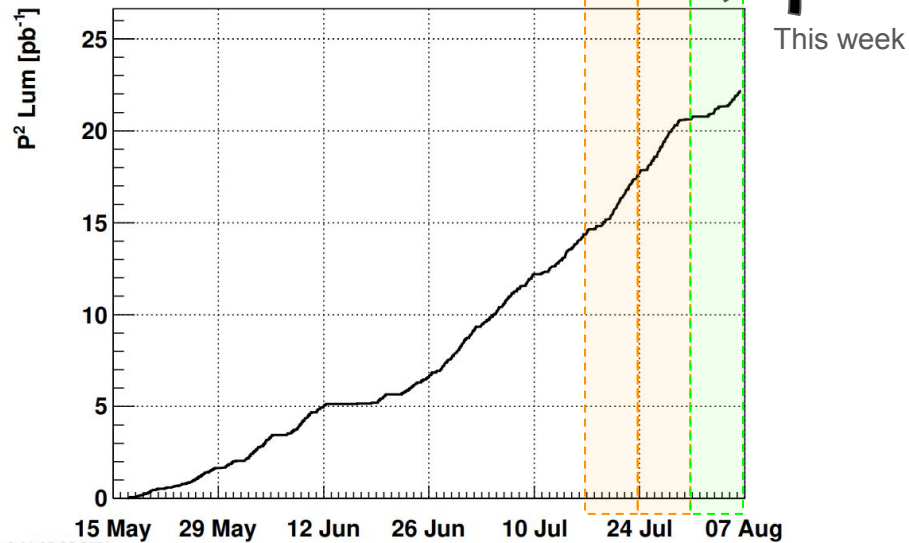

Maintenance

Unpolarized beam

- PS problem
- thunderstorm alarm
- MCW chiller down

JP2-effective

JP2-effective
