

ePIC Reco WG Meeting | Announcements

- **Meeting schedule update:** *lots* going on, so will have weekly meetings for the next month or two...
 - ☞ “Special” meetings are ones outside of our usual schedule
- **User Learning Liaison:**
 - User Learning WG has requested a volunteer from each S&C WG to serve as a liaison
 - Expected to:
 - › Participate in monthly user learning meeting
 - › Help identify necessary upcoming tutorials
 - › Participate in monthly live office hours (coming this summer)
 - **Let us know if you want to volunteer by this Friday!**
