

Design, Integration and Installation Work Fest

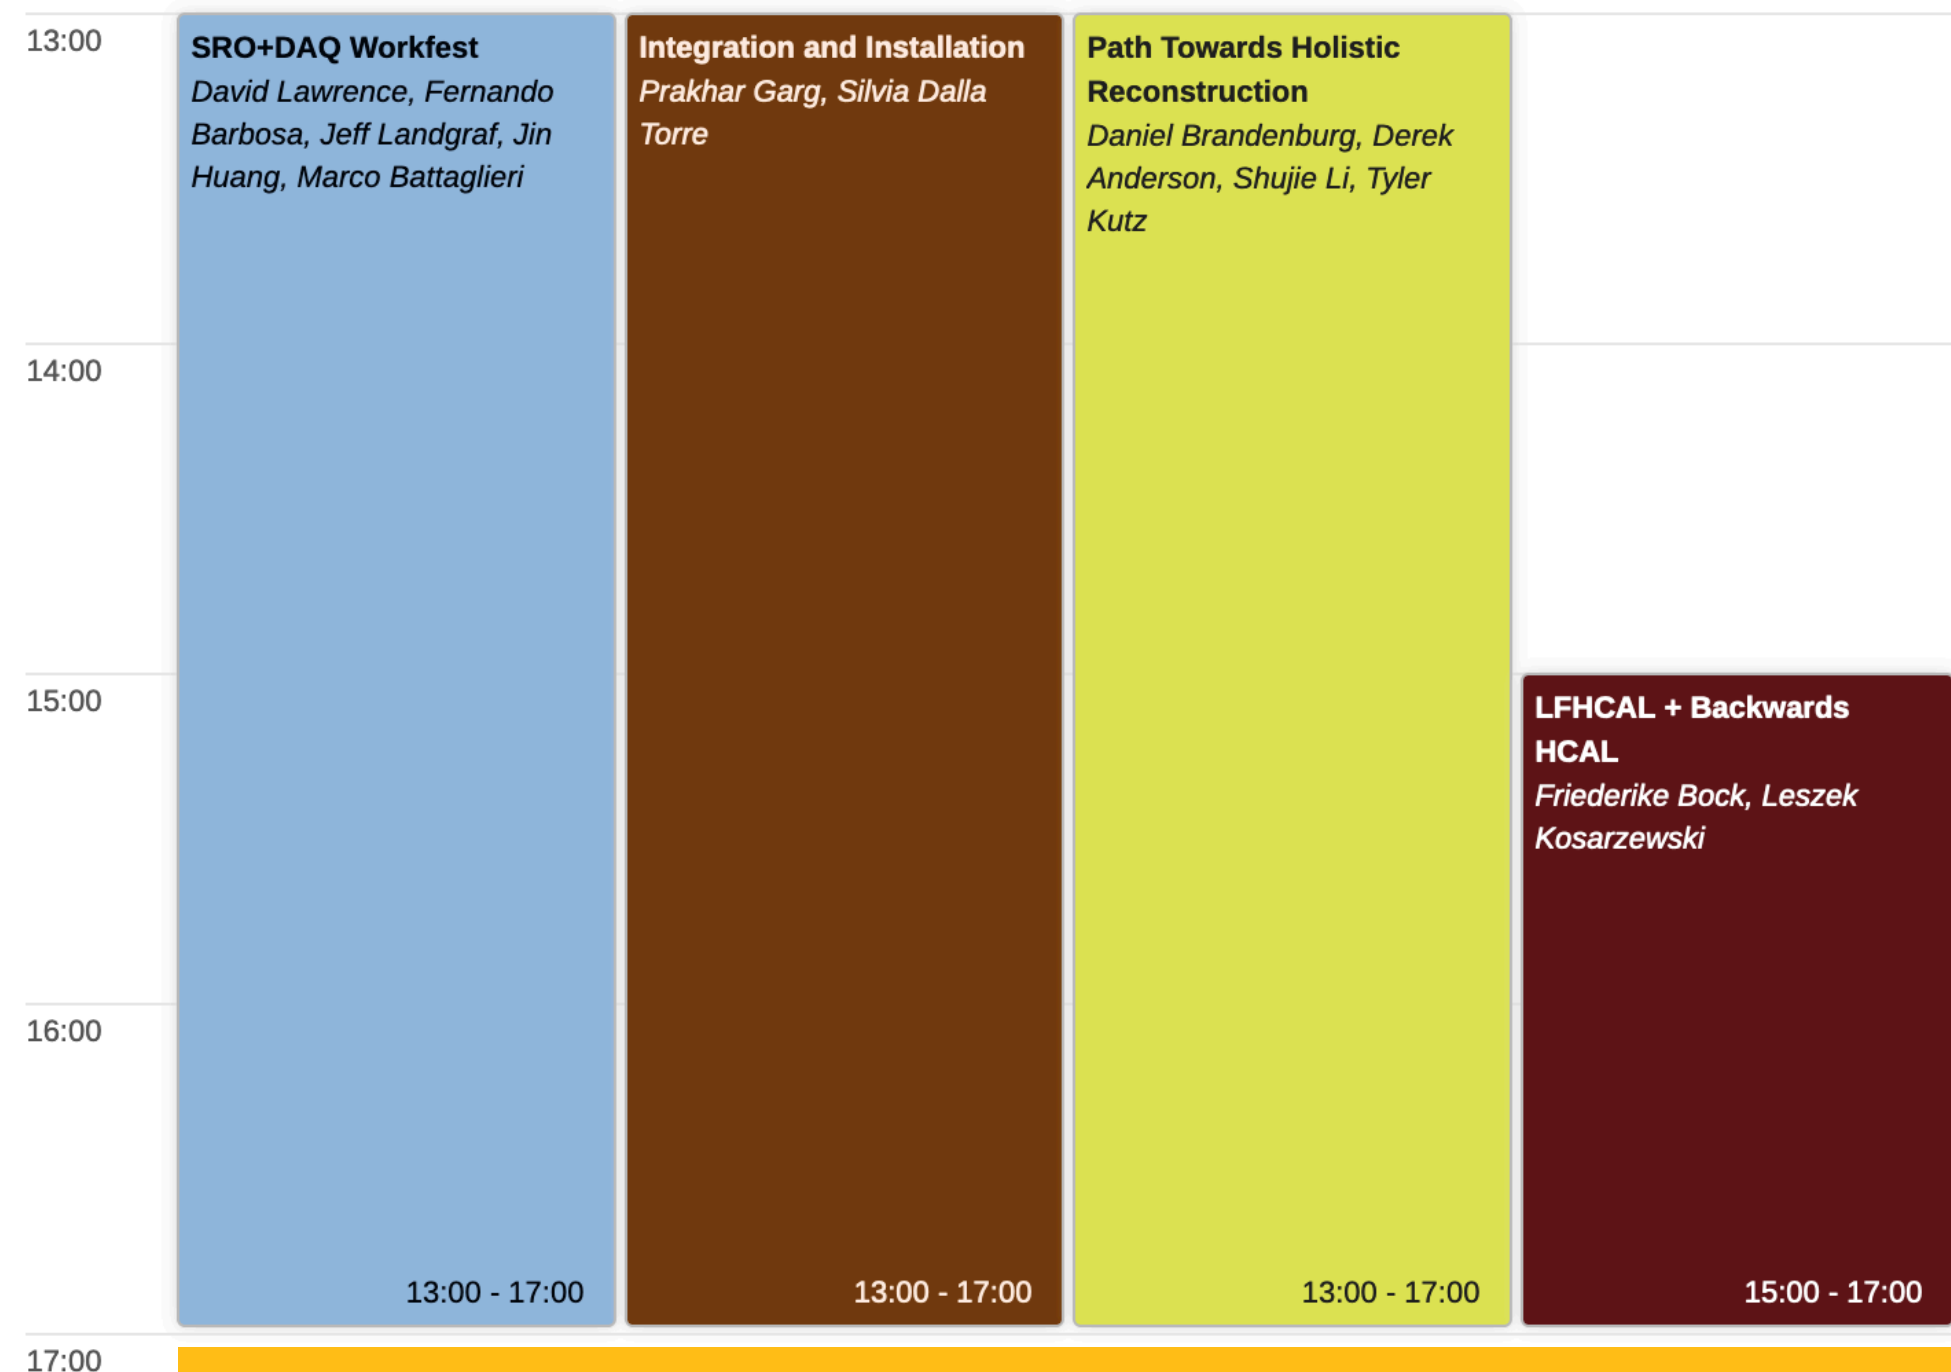

ePIC Collaboration
Meeting
Jul 22-27, 2024

Contact: Prakhar Garg
prakhar.garg@yale.edu

Announcement

- ⦿ Introducing a dedicated Work Fest on Design, Integration and Installation during ePIC collaboration Meeting at Lehigh
- ⦿ Expected wide participation from Engineers across ePIC
- ⦿ A great opportunity for Engineers and Physicists interaction
- ⦿ We encourage for in-person participation but online is also welcome if its difficult to travel.

On Thu 25/07

Very-Preliminary Agenda:

- ⦿ Overview of ePIC detector
- ⦿ Installation Sequence & Integration
- ⦿ Routing of Cooling, gas and services
- ⦿ Engineering Design of various subsystems

We will finalize the agenda soon after collecting your inputs

Suggestions are Welcome!
