

New York Scientific Data Summit 2024: Addressing Data Challenges in Digital Twins

Tuesday, 17 September 2024

Data Visualization and Virtual Reality (10:30 - 11:30)

-Conveners: Wei Xu

time	[id] title	presenter
10:30	[22] Towards Efficient Neural Representation of Visual Computing Data	SUN, Qi
10:50	[23] Towards the creation of digital twins for scientific simulations using visualization surrogates	SHEN, Han-Wei
11:10	[24] Digital Twins for Science	FISKE, Barton
