AOB

Project R&D Reports and Proposals

Thanks to everyone who contributed!

eRD104 and eRD111 reports and eRD113 proposal are available via the [R&D wiki](#)

DAC meeting, where these will be presented, is currently scheduled for upcoming August 28 and 29, 2024; further information will be shared as it becomes available.

ePIC Collaboration Meeting

Summer 2024 EICUG / ePIC Collaboration Meeting upcoming July 22–27 at Lehigh University, c.f. <https://indico.bnl.gov/event/20727/>

SVT workfest as part of this meeting with an emphasis on IB, readout, and services – scheduled for Thursday morning, July 25.

Note, in particular, also the Integration and Installation workfest on the same day, in the afternoon.

If you have not done so already, consider [registering!](#)
