

**Session Program**

**13 September 2024**

**ePIC Early Science Workshop**

***Early Science Contributed Flash Talks***

# Friday 13 September

12:15

## Early Science Contributed Flash Talks

### Session

12:20–12:25   **Opportunities for unpolarized TMDs with early data**

**Speakers**

Andrea Bressan, Marco Radici, Salvatore Fazio

12:25–12:30   **Open charm production in DIS e+p and e+A collisions**

**Speakers**

Dr Xuan Li, Xuan Li

12:30–12:35   **Heavy vs. medium nuclei for EIC early physics**

**Speaker**

Spencer Klein

12:35–12:40   **Early Measurements on Saturation**

**Speaker**

Thomas Ullrich

12:45
