# preTDR draft, Version0.1

Dear ePIC Collaborators,

the preTDR draft, Version0 is now available.

You can find the pdf in ZENODO, ePIC community, title:

"EIC preTDR - Chapters 2 and 8, DRAFT, Version0.1".

For those among you who have not yet registered in ZENODO and joint the ePIC community in ZENODO,

instructions are available in the report about "ePIC News" at the ePIC general meeting on

June 14 (<https://indico.bnl.gov/event/22602/contributions/88353/attachments/55269/94564/ePIC%20Collaboration%20News%2014%20June%202024%20rev2.pptx> ), slides 10 and 11.

A group of Colleagues have accepted to serve as internal reviewers for specific sections.

At the same time, the whole collaboration is invited to read the draft

and send feedback using the google form at

<https://forms.gle/iBtcGrFCbdRaRuuF9> .

You can submit either a text or a file.

**Dead-line for the feedback: October 20th.**

Have a nice reading of our draft.

Best greetings, Silvia
