

Updates from ACs

Rosi Reed (Lehigh) - Salvatore Fazio (Calabria)

- **Monday 30th**: deadline for “version 0” pre-TDR text into our overleaf copy
 - a week for AC to editing → few days for comments by conveners → input into official overleaf
- **Early Science symposium: what's next?**
 - **Let's briefly discuss options!**
 - We bring the opinions to our next Coordinators meeting on Friday Oct. 4th
 - **New revision of the strawman by Elke**
 - See her new slides attached to our indico
 - in particular slide 8+ with more details on the luminosity assumptions
