

Run25 travel and housing

Akitomo Enokizono

Run25/26 schedule (not fixed yet)

- The ALD requests a BUP for 20 cryoweeks in Run-24 (= 22 minus 2 weeks carried forward from Run-24)

- ➔ and 28 cryoweeks “assuming we can extend the run”

- The ALD mentions “BUR 2025/26” but no quantitative cryoweek scenarios for a Run-26

- Some timing considerations:

- ➔ Run-24 ends 21 October 2024

Dennis V. Perepelitsa
PCM 9/20

- ➔ C-AD nominal plan is a 22 week shutdown, starting Run-25 on 24 March 2025

- ➔ A 20 week run would go until 11 August 2025, but a 28 week run would go until 6 October - automatically extending into FY26

- Supplemental FY26 (right after Run25) weeks for p+p, p+Au, O+O, or even separate Run26 plan will be discussed over the next couple weeks.
 - Special PCM meeting on Nov.1, followed by the PAC meeting Nov. 7-8

Housing reservation

- Maureen will make the reservation of apartments for Run25 before December
 - Student interns are coming to BNL in Jun/Jul/Aug, and the number of participants will be doubled this year...
- Discussed with Maureen, taking the run24 usage into consideration, the following apartments will be reserved for February through September in 2025, then will be cancelled/extended depending on the actual usage:
 - One 4-bedroom apartment for students
 - One 3-bedroom apartment for students
 - Two one-bedroom apartments for stuffs
- Any comments/suggestions?
 - How many students will come to come BNL especially Jun-Aug?
